To Whom It May Concern:

My name is Dave Dubeau and I have worked with Fast Track to Cash Flow and on my own events since 2006.

Fast Track to Cash Flow conducts over 200 live events a year, including a number of high priced paid events with big name speakers like Robert Kiyosaki, George Foreman, Bill Bartmann and others.

I have known **Dan "The Man" Lok** since 2007, and over the years we have had him speak at a number of our events.

Dan is ALWAYS one of our most popular speakers. He really gets the crowd involved, provides fantastic education, entertainment and sales.

Dan is consistently our highest sales-per-head speaker (the guy can outsell the rest of us hands-down...and English isn't even his first language! Sheesh...he puts us to shame ;)

But just as importantly, or perhaps even MORE importantly, Dan delivers. His customer service is great, and he always deals with issues to our customer's complete satisfaction. This is much more than I can say for some other platform speakers we've had in the past.

So if you are looking for a kick-ass speaker who will entertain, inspire, **SELL** and then deliver the real goods to your group, Dan Lok is definitely your man.

I highly recommend him.
